

Explanation of Band Fees 2024-2025

There are certain items that your student will need for Band right at the beginning of this year. LISD has set limitations on financial commitments for all high school band students and the MHS Band will be in compliance with those policies. We have worked hard to be considerate of everyone's different financial situations. These fees can be paid online using the district's RevTrak service or at any time with an MHS band director. These fees may be paid one at a time or all at once. If you need to make a financial arrangement (i.e. payments, etc.) please come visit with one of the band directors and we will be happy to assist you. We want to work with you!

Not all students will need to pay all fees. These fees and items available are:

All Students Required fees: (click link to pay online)

Supply Fee	\$30	(covers things like flip folders, reeds, oils, etc.)
Snack Fee	\$5	(covers the snacks given at football games, etc.)
Show Shirt	\$15	(sometimes used as a performance uniform)

Additional fees some students may need: (click to pay online)

These items are required but some students may be able to reuse their items from previous years.

Blue Travel Polo	\$25	(required this year - 9th graders need)
Marching Shoes	\$37	(9th graders need, also at local music stores)
School Instrument Rental	\$20	(students using school instruments)

There may be other items available at some point, like optional shirts, hoodies, hats, etc.

Colorguard Fees

Colorguard/winterguard members have a different fee structure. Those fees will be discussed separately at a later date.

Fundraising

We will offer a World's Finest Chocolate fundraiser to help defer the cost of fees.

Band Boosters

The Band Boosters will have parent spirit items available as well. Details will be communicated to you as the items themselves come available.

Band Boosters Meal Plan - highly recommended!

The Band Boosters will offer an optional meal plan for home football game days. This option is available to all students and provides a dinner option here on campus for those who do not want to leave campus between the end of the school day and the call time for the game. This is highly recommended! Details will be available separately from the Band Boosters soon. The school will pay for the student's meals for road trips where a meal is necessary.
